

# Second Year Spelling Activities

## How do you want to study?

Choose a *different* activity each night you practice.

You must complete the activities for all the words that you are studying for your quiz.

Bonus – You may do activities for all twenty words!

Write the list number, title of the activity and date on the top of each page before you start.

**Shaky Spelling.** Write the spelling words with your right hand. Then, write them with your left hand.

**Rainbow Words!** Write the spelling words in pencil. Then, trace each one in two other colors. It's a rainbow!

**Alphabet City.** Write your spelling words in alphabetical order, starting with “a”. Or, you can do it backwards, starting from “z”!
